

# TOUCH OF CULTURE

✦ BY GREEN FROG VENDING ✦

PREMIUM VENDING

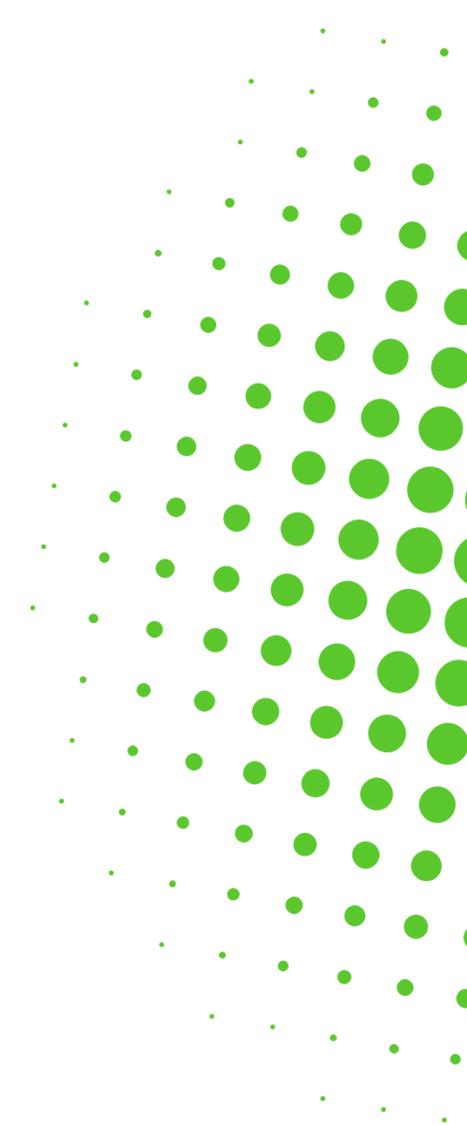

FEBRUARY 2026

# PREMIUM TOUCHSCREEN VENDING

- Managed Placement
- Indigenous-designed Wraps
- 55" Digital Screen Advertising
- Supply Nation Registered Business
- Purchase & Rent2Buy Options
- Demonstrate Indigenous engagement commitment

# CURRENT VENDING SOLUTIONS

**01.**

Outdated vending experience and low amenity perception.

**02.**

Expectation of cash availability onsite.

**03.**

On-site workload impacts - stocking, complaints, faults.

**04.**

Inability for host sites to monopolise screen advertising, Indigenous RAP commitments or cross-selling.

# WE'RE DIFFERENT

We install and fully manage an end to end premium vending service at your site.

We are a 100% Indigenous owned business meeting your RAP or Indigenous procurement obligations.

The Indigenous products we supply have been culturally approved, licensed and verified.

We work with you to choose a culturally appropriate wrap and branding from our licensed options.

All vending machines are cashless and come with a 55" touch-screen front to display advertising or messaging content.

# PREMIUM FEATURES

**Natural, Indigenous  
produced product range.**

**Touchscreen selection and  
modern user experience.**

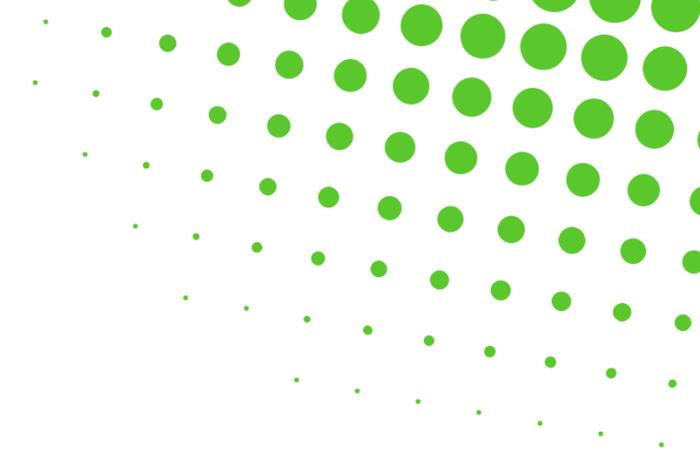

**Remote monitoring for  
stock management and  
faults.**

**Cashless payments and QR  
code engagement.**

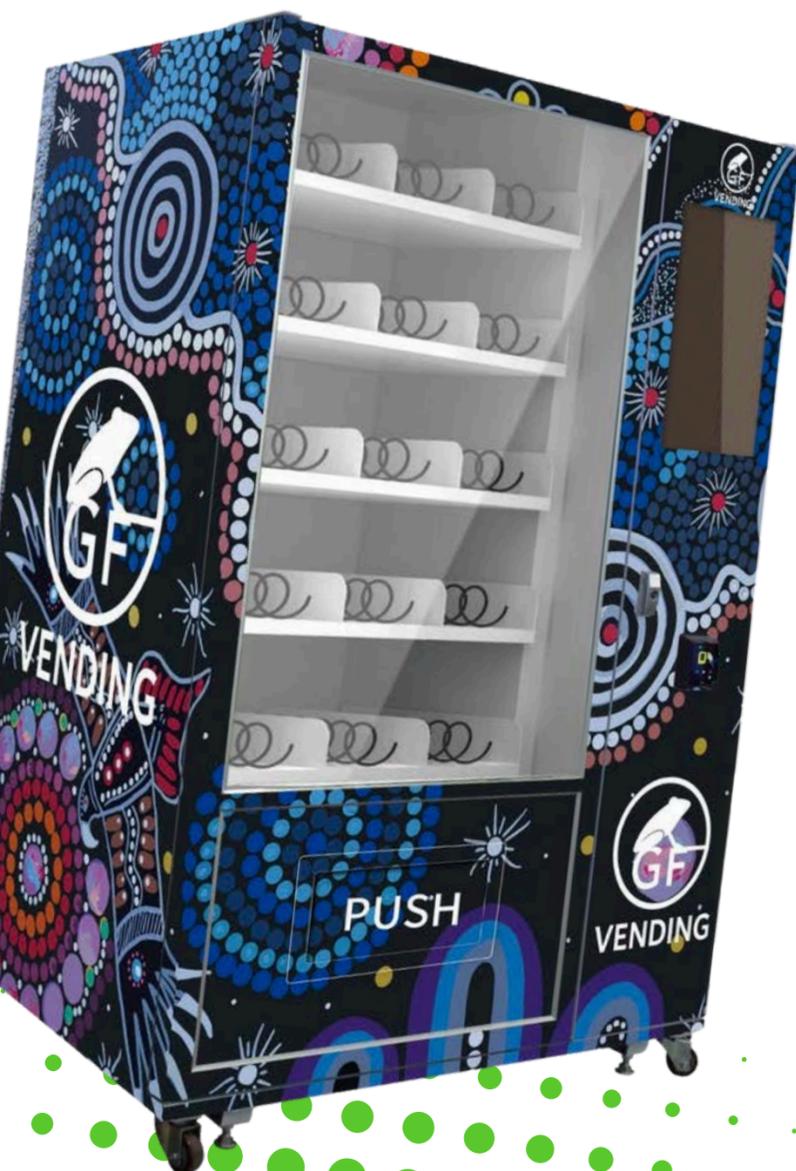

**Culturally appropriate  
machine wrap and  
Indigenous theming.**

# PLACEMENT OPTIONS

## NO-COST PLACEMENT

- We supply, install and commission the machine
- We stock, maintain and service it end-to-end
- No cost to the venue; standard pricing applies
- Venue provides location, power and access

**Best For:**  
Set and forget, hands-off venues.

## REVENUE SHARE

- We supply, install and operate the machine
- Venue receives an agreed share of sales
- Venue has screen advertising and information content options
- Venue provides location, power and access

**Best For:**  
High footfall, premium or anchor sites.

## FIXED FEE / HYBRID

- Fixed fee (or fixed fee plus revenue share) structure
- Predictable cost model suited to managed precincts
- Commercial terms tailored by venue type and footfall
- Venue provides location, power and access

**Best For:**  
Precincts and managed properties.

# INDIGENOUS THEMING

Provide demonstrable reinforcement of your organisations commitment to Indigenous engagement and RAP outcomes.

## CULTURAL ACKNOWLEDGEMENT

- Indigenous artist bio
- Cultural storytelling
- Genuine Indigenous artefacts, gifts and bush food products

## CUSTOM MACHINE WRAPS

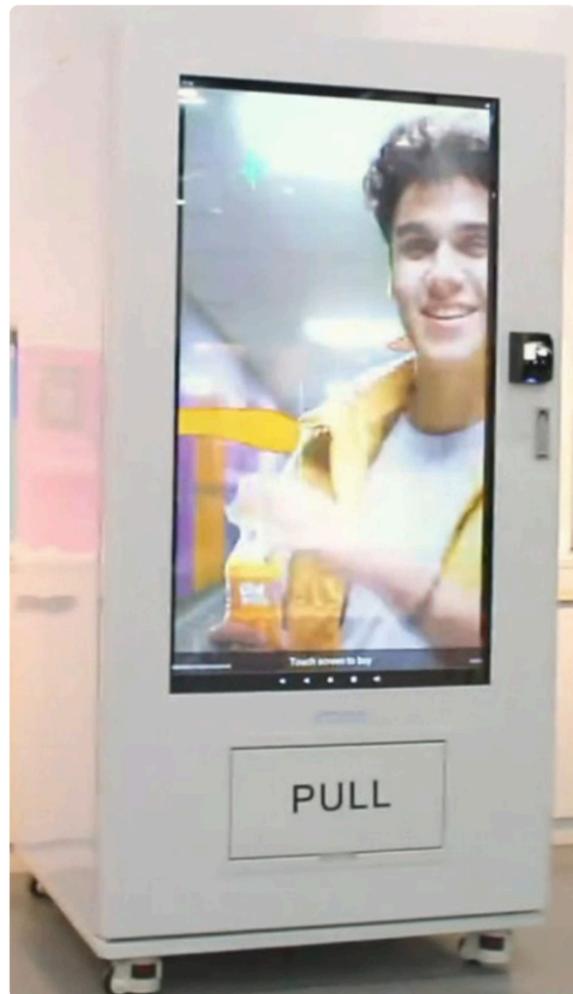

- Licensed Indigenous patterns
- Custom Artist engagement
- Specific themes, events or location centric branding available

# SCREEN CAPABILITY

The integrated 55-inch screen turns the vending unit into an on-site communication channel as well as a point of sale. It supports venue-specific content such as product prompts, onsite messaging and partner campaigns under an agreed approval process. Content can be supplied by the venue, developed by GF Vending, or a combination of both.

Product prompts and onscreen guidance to improve selection and user experience

---

Venue-approved onsite messaging (e.g., announcements, health and safety, campaigns)

---

Partner and sponsor campaigns aligned to site rules and brand requirements

---

# COMPLIANCE MANAGEMENT

View our product video

## **INSURANCES**

Public Liability, Product Liability, Workers Compensation, Product Recall, Business Interruption, Fire, Theft and Damage.

## **COMMISSIONING**

Pre-install risk management, electrical compliance check, safety and security assessment.

## **FOOD SAFETY**

Food hygiene plan, supplier-approved products, expiry rotation and handling hygiene.

# NEXT STEPS

1. Nominate a procurement contact / site liaison
2. Site suitability assessment
3. Confirm preferred placement options
4. Enter into an agreement
5. Install and commission vending machine and stock
6. Commence service
